<p>Speaker</p>	<ul style="list-style-type: none"> ● Used for external sound

2. Home

In the lower left corner of home displays the current basic status of the device, including: Mobile / WiFi connection, Bluetooth status and battery display.

Above the device status is the function bar, including: Note, Reader, APPs, Account info.

3. Note

Click  on the main interface to display the note list and note management menu.

Search

Search for notes, keywords support note name, note content, note creation time.

New folder

After creating a new folder, you can move notes to the folder.

Display mode

Click to switch the display mode of notes: grid or list.

The screenshot displays the Knote-s application interface. On the left is a sidebar with the following elements:

- Time: 01:56
- Date: 2023/06/05 Mon
- Quote: Failure is the mother of success.
- User profile: yoyo
- Storage: 751.2MB/1000.0MB, 25.1 GB/32 GB
- Navigation menu: Note (14 Notes 2 Folders), Reader (23 Books 1 Folders), APPS (14 Applications)
- System icons: Signal, Wi-Fi, Battery (94%), and a plus sign.

The main area shows a grid of note thumbnails:

- New**: A notebook icon with a plus sign. Date: 2021-09-09 14:51:09.
- Reference**: A folder icon. Date: 2021-09-09 14:33:20.
- Diary**: A folder icon. Date: 2021-09-09 14:33:20.
- Note5**: A note with Chinese text. Date: 2021-09-09 14:49:27.
- Note4**: A note with an illustration of a box. Date: 2021-09-09 14:02:11.
- Storyboard**: A note with a grid layout and illustrations. Date: 2021-09-09 12:24:18.
- 心语**: A note with Chinese text. Date: 2021-09-09 12:23:23.
- Meeting-minutes**: A note with a list of items. Date: 2021-09-09 11:58:44.
- Brief-strokes**: A note with a grid layout and illustrations. Date: 2021-09-08 18:21:15.
- Cat**: A note with a drawing of a cat. Date: 2021-09-08 16:35:20.
- Weekly-plan**: A note with a list of items. Date: 2021-09-08 16:06:26.
- Inspiration!-senten...**: A note with a list of items. Date: 2021-09-08 16:05:56.

Sort

It can be sorted in ascending/descending order of note creation time, note modification time, and note name.

Long press the note, you can choose to rename, export, share, lock/unlock,

move, or delete the note.

Long press the folder, you can choose to rename, move, or delete the folder.

Cloud-sync

(Login account is required) You can synchronize notes to cloud storage. Each time you log in to your account, it will automatically synchronize notes from cloud storage to the device.

Settings

You can set note related settings, such as: Show/don't show template setting when creating notes, turn on/off automatic synchronization function, binding third-party cloud disk account, backup and recovery management.

Show template when creating a new note	<input checked="" type="checkbox"/>
<hr/>	
Automatic synchronization	
<i>You can log on to your account to synchronize books and notes</i>	<input type="button" value="login"/>
<i>For web side view, please visit: https://kloudnote.com</i>	
Automatically sync when notes are saved	<input type="checkbox"/>
<i>After closing, you need to manually click the sync icon to synchronize</i>	
<hr/>	
Export to another account	<input type="button" value="Option"/>
<i>Manually select notes, you can export cloud disks that have bound accounts</i>	
<hr/>	
Backup and restore	<input type="button" value="Enter"/>
<i>Back up all current notes to cloud disk, or select backed up files from cloud disk to restore</i>	

3.1 Handwriting

Click "New" to create a new blank note, and click on any note cover to enter the note handwriting page.

Pages

You can quickly view the contents of all pages of the current notebook in card mode. Click  in the card to pop up the menu of adding new page, clearing current page, deleting current page, move up and move down.

  Undo / Redo

Can quickly undo or restore the undone handwriting.

 Pen

Adjust the stroke size of the ballpoint pen.

 Brush

Adjust the stroke size of the brush.

Geometry

Click to select different shapes and adjust different line widths.

Eraser

Can choose free erasing, area erasing, erasing all, and deleting the current page.

Mask

Only the line where the stroke is displayed, other written content is invisible, which effectively protects personal privacy.

  Disable / Enable touch

Disable/Enable hand touch operation. After disabling hand touch, the device can only be operated with a pen.

 Recording

Click the button to start recording, and click again to stop it, and a recording icon  will be generated in the page after saving.

∨ ^ Show/Hide recording menu

☰ List of recordings

Click to display the recording list, and play, sort, rename and delete the recording files.

⋮ More

Click to bring up the hidden menu.

Cast

You can choose nearby devices that support Miracast (such as PC, TV, etc.) to share the screen and notes.

Share

Notes can be shared via Email or Bluetooth.

Export

The available note export methods are: Export current page in PDF, Export all in PDF, Export current page in PNG.

You can choose whether to export to local or to a third-party network disk with a bound account.

Note, If the account is not bound, it can only be exported to the internal storage of the device.

Type of writing paper

Different type of writing paper can be selected/switched.

Full screen / Exit full screen

Go to full screen / exit full screen mode.

4. Reader

Click  on the main interface to display the book list and the book management menu.

 Search

Local search for books, keywords support book title, author, annotation, and the first two lines of the bookmark page.

Search for books online, keywords support book titles and authors.

 New bookshelf

After creating a new bookshelf, you can move other books and documents to the bookshelf.

 Display mode

Click to switch the display mode of books: grid or list.

4.1 Shortcut menu for reading

Click on the cover of any book to enter the reading interface. The default is to display the reading area in full screen, and display the reading progress, time and battery power at the bottom.

Tap the left (vertical) area of the screen to switch to the previous page.

Tap the right (vertical) area of the screen to switch to the next page.

Click the middle (vertical) area of the screen to bring up the menu bar.

The top menu includes: return, enable/disable handwriting, show/hide handwritten notes, search, add/cancel bookmark, turn pages automatically,

refresh, share, settings.

The bottom menu includes: previous chapter, progress adjustment, next chapter, contents, bookmarks, format/display, annotations and notes.

Enable/disable handwriting

When handwriting is disabled, the electromagnetic pen cannot write on the book. At this time, the operation function of the pen is the same as that of hand touch.

Show/hide handwritten notes

When you only want to read the original content of the book and don't need to

read the notes, you can hide the handwritten notes.

Search within the current document.

The screenshot shows a search interface with a search bar at the top containing the text "habit". Below the search bar is a list of search results, each consisting of a snippet of text and a page number. The results are as follows:

Snippet	Page

At the bottom of the search interface, there is a summary bar showing "Total:605" on the left and navigation arrows "< 1/41 >" on the right.

Can add bookmarks. When the bookmarked page is displayed, it will be displayed as an icon for canceling bookmarks, click to cancel bookmark.

When you want to turn the page automatically at a constant speed, you can

this icon to turn it on. The page turning interval can be set freely.

Share

Book with notes can be shared via Email or Bluetooth.

Settings

You can set reading related properties here, such as: Show/hide chapter name, reading progress/time/power, global properties of format, export file storage address, etc.

Refresh the current page completely.

Can quickly switch to the previous or next chapter, or drag the progress bar in the middle to quickly change the progress.

The page format adjustment menu can be called out, which can adjust the font size, line spacing, top/bottom spacing, left/right spacing.

Font Size	⊖	40	⊕
Line Spacing	⊖	18	⊕
Top/Bottom margin	⊖	56	⊕
Left/Right margin	⊖	78	⊕

4.2 Contents

When reading a document, tap the middle of the screen to bring up the menu bar, and tap "Contents" in the lower left corner to view contents.

Click each category to jump to the main text of the page.

When reading the document, you can press and hold the text and drag it to pick up the word, and the required text can be highlighted\underlined line\underlined dotted line\underlined wave line to mark the text. By default, the last selected method is used for labeling, and the initial use defaults to underline the line method.

 Copy the selected text.

Go to to the browser to search for the selected text.

Search and highlight the same text in the document.

Click the marked text, and then click  to delete the mark.

PROLOGUEThe Habit Cure

In other words, if you don't give the caller looking for a job a helping hand, he might complain to his tennis partner, who might mention those grumblings to someone in the locker room who you were hoping to attract as a client, who is now less likely to return your call because you have a reputation for not being a team player. On a playground, peer pressure is dangerous. In adult life, it's how business gets done and communities self-organize.

Such peer pressure on its own isn't enough to sustain a movement. But when the  and the weak ties of peer pressure merge  momentum. That's when widespread social change can begin.

...

To see how the combination of strong and weak ties can propel a movement, fast forward to nine years *after* Rosa Parks's arrest, when hundreds of young people volunteered to expose themselves to deadly risks for the civil rights crusade.

In 1964, students from across the country—many of them whites from Harvard, Yale, and other northern universities—applied for something called the "Mississippi Summer Project." It was a ten-

Can export the current page with handwritten notes, all notes and corresponding text pages as pdf documents, or the current page with handwritten as png images .

How Habits Work
side.

Eugene’s doctors told Beverly there was nothing they could do to counter the damage already done, but a large dose of antiviral drugs might prevent it from spreading. Eugene slipped into a coma and for ten days was close to death. Gradually, as the drugs fought the disease, his fever receded and the virus disappeared. When he finally awoke, he was weak and disoriented and couldn’t swallow properly. He couldn’t form sentences and would sometimes gasp, as if he had momentarily forgotten how to breathe. But he was alive.

Eventually, Eugene was well enough for a battery of tests. The doctors were amazed to find that his body—including his nervous system—appeared largely unscathed. He could move his limbs and was responsive to noise and light. Scans of his head, though, revealed ominous shadows near the center of his brain. The virus had destroyed an oval of tissue close to where his cranium and spinal column met. “He might not be the person you remember,” one doctor warned Beverly. “You need to be ready if your husband is gone.”

Eugene was moved to a different wing of the hospital. Within a week, he was swallowing easily. Another week, and he started talking normally, asking for Jell-O and salt, flipping through television chan-
